**RE: NATURAL ORGANICS, INC. ISSUES A NATIONWIDE VOLUNTARY RECALL FOR THREE DIFFERENT PRODUCTS, ONE LOT EACH, LISTED IN THIS NOTIFICATION.**

This letter is to inform you of a product recall involving one lot each of the three products listed below.

**NaturesPlus Product No. 48716, ULTRA T-MALE Tablets 60ct., Lots 1381667;**

**NaturesPlus Product No. 48711, T-MALE LIQUID 30fl.oz., Lot 1379944;**

**NaturesPlus Product No. 48715, T-MALE LIQUID 8fl.oz., Lot 1380176**

**See enclosed product labels.**

Natural Organics Inc. is conducting a nationwide voluntary recall of the products, and lots listed above. No additional lots of these products listed or other NaturesPlus products are affected by this recall.

This recall has been initiated because it was discovered through material handling that the drums for two different ingredients had been mis-labeled at the time of receiving. The raw material Tongkat Ali was internally labeled incorrectly as Rhodiola Rosea Extract after receipt and is missing from the product, because of the mislabeling, additional Rhodiola was added to the product.

Please immediately examine your inventory and quarantine the products and lots subject to this recall.

Promptly return the enclosed Response Form and any product on hand. For consumers that may have purchased these lots of this product, please post this Recall Notice prominently in the store for several weeks.

This recall should be carried out to the retail level.

Please return the enclosed Response Form immediately providing the requested information via e-mail to [response@naturesplus.com](mailto:response@naturesplus.com), or fax to 631-756-0862, or use the enclosed pre-paid business reply envelope.
