

**URGENT: DRUG RECALL**

**Clark's Nutrition Ctr  
11235 Mountain View Ave  
Loma Linda, CA 92354-3804**

Dear Value Customer:

This is to inform you of a product recall involving:

Child Allergy Care, NaturalCare , UPC 371402301010, Lot 222148.

See enclosed product label.

This recall has been initiated due to potential subpotent Epinephrine, which makes up less than 0.0001% of the product. Use of this product may produce unsatisfactory results.

We began shipping Child Allergy Care, NaturalCare , UPC 371402301010, Lot 222148 on 7/12/22.

Immediately examine your inventory and quarantine product subject to recall. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter, please have them contact the Product Help Line to return the product.

Please contact Nutraceutical at [cs@bettering.com](mailto:cs@bettering.com) or 1-800-669-8877 to arrange to have the recalled product returned.

This recall should be carried out to the Consumer level.

Your assistance is appreciated and necessary to prevent potentially ineffective product from being used by consumers.

Please complete and return the enclosed response form as soon as possible and return to this email address [cs@betterbeing.com](mailto:cs@betterbeing.com).

If you have any questions, consumers please call our Product Help Line at 1-800-683-9640. Retailers, please call 1-800-669-8877

This recall is being made with the knowledge of the Food and Drug Administration.
