Iridology Analysis: Iridology is the science of analyzing the delicate structures of the iris of the eye. The iris reveals body constitution, inherent weakness and various levels of health.

A Leader In Nutrition: Gary Richer is an accomplished Iridologist, Herbalist, and “Live Cell Analyst.” His studies in Iridology began in 1982 with Dr. Bernard Jensen. Gary recieved his Doctorate in Naturopathy from Trinity College of Natural Health. He specializes in cleansing programs, herbal/vitamin support and diet changes.

**Gary's philosophy is,
"given the proper nutritional environment,
the body will heal itself."**
