Biodynamic Farming Practices  
Unique Zero-Waste Cultivation  
Gentle Thermal Extraction  
No Solvents or Additives  
True Full-Spectrum

**PURE, ALL-NATURAL... AND TRULY FULL-SPECTRUM**

Proprietary gentle thermal extraction and “flash activation” ensure that our hemp-derived CBD tincture accurately represents the source plants. The exceptional quality of the full terpene profile is evident in the distinctive taste and color: Its earthy unfiltered flavor and rich amber hue indicate that it’s all-natural and full-spectrum.
