Subject: Voluntary Recall Notice – 6oz Raw Milk Goat Cheddar, Lot #90423255 (Sell By 5/29/26)

Dear Valued Customer,

Out of an abundance of caution, Sierra Nevada Cheese Company is voluntarily recalling one lot of our **6oz Raw Milk Goat Cheddar, Lot #90423255, Sell By 5/29/26 (UPC 6-87652-19220-0)**.

As part of the State of California's routine yearly sampling program, this lot was tested and reported positive for *Listeria monocytogenes*. Independent, third-party laboratory testing conducted both before and after this result confirmed **negative findings for listeria**. Nevertheless, due to the potential food safety concern, we are proactively removing this product from the marketplace to protect our customers and maintain our commitment to quality and safety.

Action Required:

- Please check your inventory and shelves for this product.
- Immediately remove and discontinue sale of any units from **Lot #90423255, Sell By 5/29/26 (UPC 6-87652-19220-0)**.
- Contact us at **recall@sierranevadacheese.com** for product return or credit instructions.

No illnesses have been reported to date. This voluntary recall is being conducted strictly as a precautionary measure.

Sierra Nevada Cheese Company is committed to producing safe, wholesome, and exceptional dairy products. We are taking this step to ensure customer confidence and safety remain our highest priority.

If you have any questions, please contact our Quality Assurance team at **recall@sierranevadacheese.com**.

Thank you for your cooperation and continued partnership.

Sincerely,

A handwritten signature in blue ink that reads "Meghan Rodgers".
