October 23, 2024

Dear valued partner,

As you may already be aware, on October 18, TreeHouse Foods announced a voluntary recall of several frozen waffle products in the U.S. and Canada due to potential *Listeria monocytogenes* contamination.

To date, there have been no confirmed reports of illness linked to the recalled products. Out of an abundance of caution, Nature's Path will be issuing a voluntary recall on all its frozen waffle products in the US and Canada produced between October 2023 to October 2024. Below are the SKUs that are impacted:

U.S.

SKU	UPC
Nature's Path 7.4oz Organic Wildberry Buckwheat Waffles	58449590583
Natures Path 7.4oz Organic Chia Waffles	58449590729
Nature's Path 7.4oz Organic Dark Chocolate Chip Waffles	58449167013
Nature's Path 7.4oz Organic Homestyle Waffles	58449590545
Natures Path 7.4 oz Organic Flax Plus Waffles	58449590569
Nature's Path 7.4 oz Organic Pumpkin Spice Waffles	58449590774

The recall was the result of a routine sampling program by TreeHouse Foods, which revealed that the finished products contained the bacteria. TreeHouse Foods has ceased the production and distribution of the product as the FDA and company continue their investigation as to what caused the problem.

These specific batches are being voluntarily recalled out of an abundance of caution. No other products or lots within the U.S. are impacted by this voluntary recall. Consumers requesting a refund for the affected product should return the product to their retailer. Consumers may also contact Nature's Path consumer services at 1-866-880-7284 (between Monday and Friday) or email at [ConsumerServices@naturespath.com](mailto:ConsumerServices@naturespath.com).

We deeply value your partnership and are committed to working with you to ensure as minimal interruption as possible. Please do not hesitate to reach out to your Nature's Path sales representative should you have any questions.

Sincerely,

Jim Bevilacqua  
Chief Operating Officer, Nature's Path Foods
