

RAW FARM Voluntary Recall

Raw Whole Milk and Cream

October 24, 2023 09:00 Hours

In an Abundance of Caution, RAW FARM is voluntarily recalling all fluid raw whole milk and raw heavy cream in California. The Department of Public Health is investigating reported illness from salmonella type b (the most common type). Product testing is ongoing. RAW FARM herd tests have been confirmed negative. RAW FARM is working in full collaboration with both CDFA and CDPH to return fluid raw milk to the consumers of California as soon as possible. This process will take a few days.

This recall only effects the following products:

Item Number	Barcode	Description
1000	835204006004	Raw Whole Milk Gallon 128 oz.
1005	835204000095	Raw Whole Milk Half Gallon 64 oz.
1010	835204000019	Raw Whole Milk Quart 32 oz.
3050	835204000132	Raw Heavy Cream 16 oz.

This voluntary recall does not affect: raw kefir, raw butter, or raw cheese. Butter, cheese, and kefir are approved for sale and have not been recalled.

We ask consumers to discard any fluid milk products that they may have with best by dates from 10/11/2023 to 11/6/2023 Return any fluid milk or cream to the store of purchase for a full credit.

Your support and patience with this process is greatly appreciated. Our number one priority is product safety and your health. For more information, please call 559-846-9732.
