See enclosed product labels.

This recall has been identified due to a labeling error that used a “No Salt” statement incorrectly in the claim area. These products do include salt in the ingredients list. Use or consumption of this product may cause an unintended increase in sodium intake.

We began shipping these products on 07/01/2025.

Immediately examine your inventory and quarantine product subject to recall. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.
