Use of or consumption of this product is not expected to cause any potential health hazard. Bob's Red Mill is recalling the product out of an abundance of caution.

Use of or consumption of this product is not expected to cause any potential health hazard. Bob's Red Mill is recalling the product out of an abundance of caution.

If you may have further distributed this product, please identify your customers and notify them at once of this voluntary product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

If you labeled, re-packed, reprocessed, or recently made new products with this product, with this specific Lot Code, and have distributed your new product, please contact the FDA Recall Coordinator in your state as you may have to initiate your own recall (<http://www.fda.gov/Safety/Recalls/IndustryGuidance/ucm129334.htm>).

We ask that you check your existing inventory in your distribution warehouses and dispose of Bob's Red Mill 13 Bean Soup Mix with this specific Lot Code. Please then contact your sales representative for a credit of disposed product.

Additionally, at your earliest convenience please complete the customer response form which has been provided with this notice, and email the completed form to:
mkeeley@bobsredmill.com.

This recall is being made with the knowledge of the Food and Drug Administration.

Regards,

Meghan Keeley
